Candidate Statement: (Pertinent Biographical or Other Information – 500 words or less):

My name is Bob Meek and my wife Lauren and I moved to West Market in 2013, initially as renters and then as home owners because we were so impressed with the West Market neighborhood and its residents. I am a former U.S. Army Officer and 1992 West Point Graduate with a MBA in Finance from Notre Dame. I am currently a consulting Director with KPMG. My wife and I are please to make West Market our home and want to continue to making it a model neighborhood for current and future residents.

Some of the reasons I am interested in running for this position include: imminent Reston expansion and ensuring that West Market residents are informed and have a voice; lead neighborhood improvements like a crosswalk warning marker so residents can walk to/from RTC safely; advocate for West Market parking if/when RTC and Metro users start taking advantage of our "free" parking; and to represent the residents when/if they have concerns or topics.
